Elkerton, Frank J. Sept 1913

September 20th, 1913.

Frank J. Elkerton Esq.,

Chamberlain Sask.

Dear Sir:

I have your letter asking that exemption should be made in the matter of your registering, so that you may be permitted to enter upon your work in Medicine on November 6th. I have made inquiry from the office and find that it is quite improbable that the Faculty would grant your request. They have many similar requests, and it has been necessary to refuse them because it both disorganizes the work and the student himself suffers.

Yours sincerely,

President.
